

 AMERICAN
LEGION

AUXILIARY
Poppy Program

THANK
YOU
for
supporting
our veterans
and their families

For over 100 years the American Legion Auxiliary has distributed the memorial poppy to remind Americans that millions sacrificed their lives and health to keep our nation free.

During WWI the poppy flourished on the battlefields of Flanders Field among the shelled buildings and bomb-scarred landscape. Like the blood that was shed there, its brilliant red bloom became a sign of hope and renewal. For those who would never leave, those who had given their lives, it is a perpetual memorial to their bravery. Memorial poppy contributions are devoted entirely to rehabilitation and assistance for veterans and their families. On behalf of those veterans, thank you for caring.
